These decorative dust control mats come in a large assortment of fashionable, attractive, funky, retro and fun designs to coordinate with any interior design or atmosphere. This high quality multi-functional dust

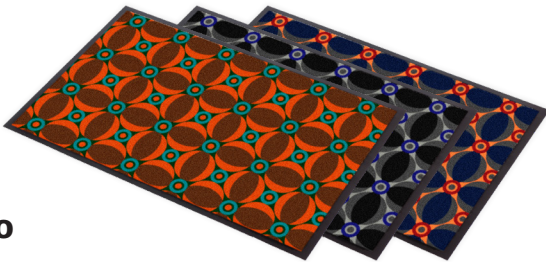

control mat cleans and dries shoes, to prevent dirt and moisture getting tracked into facilities. Superior colour-fastness ensured in accordance with DIN 54006. For more designs, visit www.notrax.eu.

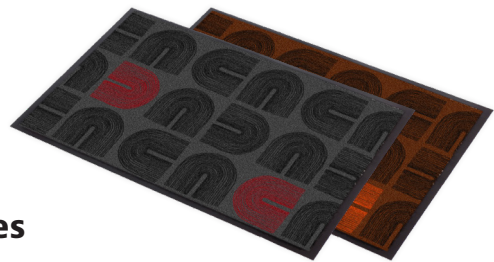

Notrax® uses the latest high definition printing technology, making it easy to print complex designs, shading and 3-dimensional effects. Our high resolution printing results in high quality printing with superior image representation. The sharp definition of fine

lines, contours and smooth gradations produces precise details for each mat, creating a truly individual image. The height of the carpet pile enhances the depth of the image for an even richer effect.
