

# 194 Message Mats 195 Slogan Mats

Make your message loud and clear while keeping facilities cleaner and safer

Communicate and inform with functional pre-printed floor mats. The attention-grabbing designs reinforce critical messages, while offering functionality to clean dirt and moisture from shoes and keep facilities cleaner and safer.

The mats are made from a high-quality fiber with a heavy-duty vinyl backing that creates surface friction, greatly reducing mat movement on smooth floors such as wood, marble, tile, or concrete. Dye is injected deep into the carpet pile for long-lasting vibrant color that resists fading over time.

- Highly visible colors and graphics for immediate identification
- Dye-injection process for long lasting, vibrant color
- 24-ounce nylon top surface provides excellent moisture absorption and retention
- Vinyl backing ensures minimal buckling and mat movement
- Overall 3/8" thickness
