

EcoPolyBlend™ Funnel for Non-Flammables

EcoPolyBlend™ Funnel for non-flammables

Spill Control & Environmental - EcoPolyBlend™ Funnel for Non-Flammables

Use these funnels with any closed-head 30- and 55-gallon (110- and 200-L) drums. Low-profile, wide diameter opening makes it for quick, easy pouring. Scalloped, sloped design minimizes splashes and prevents containers from resting in their own liquid.
