

Justrite Safety Group

265 - WAYFARER®

PRODUCT INFORMATION BROCHURE

For over 70 years, the name Notrax® has meant superior quality, service, and innovative products. Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax® offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax® offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

265 - WAYFARER® is a vinyl-loop outdoor mat with a color-coordinated solid-sheet vinyl back. The vinyl-loop design removes dirt and moisture from shoes and securely traps them beneath the mat's surface. Wayfarer® is specially designed to dry quickly and resist mildew making it the perfect mat for outdoor entrances, drinking fountains, and pool areas. Intended for light to medium traffic areas, this flexible mat can be used for industrial, commercial, or residential applications.

Material: Vinyl

Features and Benefits:

- Vinyl-looped construction traps dirt and moisture while scraping debris
- Color-coordinated thick vinyl backing to resist mat movement
- Factory compressed borders
- Designed to dry quickly and resist mildew
- Recommended product as a part of the **GreenTRAX™** program for "Green Cleaning" environments
