323 - SMART STEP™ W/ ARROW TRAX® alternates rows of ribbed vinyl and carpet strips to scrape and dry foot traffic in entranceways and foyers. This version features Arrow Trax® carpet matting for a high-end look and functionality in heavy traffic areas. The tough herringbone carpet design provides scraping and drying as well as top-of-the-line crush resistance. Smart Step™ can be placed directly on the floor or fits into most recessed foyers.

Material: Polypropylene Carpet Inset Ribbed Vinyl Tile

Features and Benefits:

- Alternating rows of ribbed vinyl and carpet strips scrape and dry the foot traffic
- 40 ounce per square yard Arrow Trax® carpet matting strips
