Notrax[®] offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax[®] offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

458 - SKYSTEP™ RED is a standalone rubber mat designed for individual work stations. Made from 100% nitrile rubber, this product is resistant to most industrial oils. Ergonomically engineered, the SkyStep™ Red utilizes the power of air. The mat is designed to suction to the ground to prevent shifting while trapping air in its chambers. These air pockets combined with the resiliency of the rubber create an ultimate cushioning effect while keeping the mat lightweight. superb anti-fatigue properties due to the ergonomic bubble pattern. Molded, beveled edges are on all four sides to prevent trip hazards.

Material: Nitrile Rubber
