

Justrite Safety Group

616 - CO-NEX™

PRODUCT INFORMATION BROCHURE

For over 70 years, the name Notrax[®] has meant superior quality, service, and innovative products. Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax[®] offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax[®] offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

616 - CO-NEX™ is a modular anti-fatigue matting system made with a general purpose rubber compound with a solid top anti-slip surface texture and a multi-nib backing for comfort and ergonomic support of the mat. The solid-top design has an anti-slip surface texture for added traction and is easy to clean.
