

Justrite Safety Group

T22 - GRIP TRUE™
PRODUCT INFORMATION BROCHURE

For over 70 years, the name Notrax[®] has meant superior quality, service, and innovative products. Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax[®] offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax[®] offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

T22 - GRIP TRUE™ is a lightweight anti-fatigue mat with an aggressive top surface for outstanding traction in wet or greasy areas. Available in general purpose (Black) and heavy-duty Nitrile grease resistant (Red) rubber compounds for varying degrees of grease and oil protection, Grip True™ has a unique sure traction design with gripper treads on the underside keeping the mat firmly in place. Its' lightweight design makes it a perfect choice for applications where the mat is routinely moved for cleaning, and its' low-profile allows for cart traffic. A drainage system facilitates the removal of liquids and debris from the work area further adding to the anti-slip properties of the mat. Manufactured with MicroStop® anti-microbial rubber compound.

Material: General Purpose Rubber (Black) and Nitrile Rubber (Red)

Features and Benefits:

- Aggressive top surface for slip resistance
- Traction design with gripper treads on underside to keep mat in place
- Low profile for easy cart traffic
- General Purpose Rubber (Black)
Nitrile Grease Resistant (Red)
- Manufactured with MicroStop®

MODEL: T22

SPECIFICATIONS
