

Justrite Safety Group

T23 - MULTI-MAT II™

PRODUCT INFORMATION BROCHURE

For over 70 years, the name Notrax® has meant superior quality, service, and innovative products. Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax® offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax® offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

T23 - MULTI-MAT II™ is a reversible drainage mat that offers anti-slip traction in wet or greasy areas. Made from general purpose (Black) and heavy-duty nitrile (Red) rubber compounds for varying degrees of grease and oil protection, Multi-Mat II™ is available in sheet sizes or rolls for longer length application requirements. Its reversible construction design adds to the service life of the mat and a drainage system removes liquids from the work area. A low profile allows for easy cart access. Manufactured with MicroStop® anti-microbial rubber compound.

Material: General Purpose Rubber (Black) and Nitrile Rubber (Red)

Features and Benefits:

- Non-skid surface for added traction
- Reversible for extended life
- Low profile for easy cart access
- General Purpose Rubber (Black)
Nitrile Grease Resistant (Red)
- Manufactured with MicroStop®

MODEL: T23
