

Outdoor Safety Cabinet

Justrite's outdoor flammable safety cabinet

Outdoor Safety Cabinet

Flammables Liquid Cabinets - Safety Cabinets for Flammables

Justrite's outdoor safety cabinet is a rugged storage solution designed to provide secure and weather-resistant storage for flammable chemicals. This cabinet is OSHA, NFPA, and FM approved, offering peace of mind.

- Fully spot welded Galvanneal 18 Gauge Steel double wall construction with 1 ½" gap for air space, 16 times more corrosive resistance than regular steel creating a rust-resistant cabinet when outdoors.
- Slanted top with rain gutter to guide rain or snow away from the cabinet opening.
- Continuous stainless steel piano hinges ensure your cabinet doors close smoothly and reliably for the life of your cabinet.
- Stainless steel paddle handle lock with three-point latching securing the contents.
- Retrieving data. Wait a few seconds and try to cut or copy again.
- OSHA, NFPA, and FM approved

- For the safe storage of flammable liquids to avoid risk of potential fire hazards and chemical spills in industries like chemical manufacturing, petrochemical and laboratories.

Recommended use

Flammables Liquid Cabinets - Safety Cabinets for Flammables

Outdoor Safety Cabinet

General

Brand	Justrite
Category	Safety Cabinets for Flammables
Product Number	81-OD
Product Family	Safety & Storage Cabinets
Product Group	Flammables Liquid Cabinets
Industry	Mining, Oil & Gas, Laboratories, Industrial, Jan-San, Material Handling, Construction, Utilities, Manufacturing, Aviation, Government, Automotive, Landscaping, Civil Engineering
Industry Segment	Material Handling, Assembly / Line, Metal Working / Fabricating, CNC, Machining, Production, Storage
