Justrite Utili-Guard+™ Flammable Safety Cabinet

# Utili-Guard+™ Flammable Safety Cabinet

## Flammables Liquid Cabinets - Classic Safety Cabinets for Flammables

The Justrite Utili-Guard+™ Flammable Safety Cabinet combines trusted safety with innovative, deeper designs—offering up to 28% more storage capacity (0.102 to 0.159 extra cubic meters) for flammable materials compared to standard models.

- The Utili-Guard+™ is engineered with extra depth, accommodating door storage attachments while maintaining full internal storage capacity for bulk containers and safety cans.
- Offers up to 28% more storage capacity than standard cabinets.
- Customizable Attachments: Securely store aerosol cans, spray bottles, caulk tubes, and small canisters of paint or stain right on the cabinet doors for instant access. Flexible to meet your changing needs.
- Workflow Efficiency: Door-mounted storage frees up internal shelf space and streamlines daily operations, making your team more productive.
- Meets OSHA , NFPA 30 & IFC Standards: Fully compliant and FM approved for flammable liquid storage.
- Adaptable Legs Options: Skid Leg Kit & Tower Leg Kit

- For the safe storage of flammable liquids to avoid risk of potential fire hazards and chemical spills in industries like chemical manufacturing, petrochemical and laboratories.
