

# QuietSite™ Premium Sound Barrier Kit

# QuietSite™ Premium Sound Barrier Kit

Effectively reduce job site sound levels, helping businesses comply with noise ordinances and create safer, quieter work environments.

- Fire-Resistant: Complies with NFPA 701 Method 1, ensuring safety and reliable performance
- Exceptional Acoustic Performance: Proven effectiveness; ASTM E90 Sound Transmission Loss and ASTM C423 Sound Absorption test results available
- Easy Deployment & Storage: Lightweight, foldable design enables quick, single-person setup and compact storage
- Built to Last: UV-resistant, water-resistant construction withstands harsh weather and cleaning, while acoustic properties remain intact for repeated use
- Mold-Resistant: Protective mesh backing facilitates rainwater drainage, preventing mold or mildew buildup and ensuring panels dry completely and remain lightweight

# QuietSite™ Premium Sound Barrier Kit
